Phil

Hello. Pirates eh? They're nothing but trouble. Luckily the ones who stole – or pinched - our yacht were harmless – just joyriders – but still badly behaved – another word for them is scallywags.

But I still need to keep a look out for real pirates. They aren't the swashbuckling type you see in films – brave and exciting – they are lawless – they'll do anything to sabotage - or destroy – our yacht.

Oh 'shiver me timbers', I can see some over there – oh silly me, it's just Passepartout and Sophia – I had them the wrong way round!

Well, 'at ease' everyone. Full steam ahead!
